Re: MUR 5893

Dear Mr. Jordan,

Per my conversation yesterday with your colleague, Kim Collins, I am writing to request that the deadline for responding to the complaint filed by Anne Wolfe (MUR 5893) be extended by 30 days to January 31, 2006.

As noted to Ms. Collins, I received the FEC notification of the complaint on Saturday, December 17, 2005. Due to the holiday season and my need to consult with others (I am essentially a one-person operation), I need the extra time to respond in a thorough, appropriate manner.

Thank you for your consideration of this request.

Sincerely,

Paul S. Aronsohn
